

BAPTISMS IN THE PARISH: If you have a child due for Baptism please let me know as soon as possible. To avoid any disappointment with dates contact the Presbytery to book your date. If you are first-time parents, you need to contact Sharon Chalk, who will organise a Baptismal Preparation of two sessions, and then I will come and visit you in your homes. Please don't forget to collect your Baptismal Information Form.

MARRIAGES: Fr. John needs at least six months' notice for marriages, and nine months if you're getting married abroad. Marriage preparation needs to be completed well in advance of the wedding.

PARISH WEEKLY OFFERTORY: At present the Weekly income is not meeting the weekly outgoing! The recent notice in the Newsletter does not appear to have made any difference to the Weekly Offertory. Please do consider your weekly offering to God and the Church, if you're in a position to increase it, this would be gratefully received. Also during the summer holidays there is always a noticeable drop in the offertory; please try to keep your Weekly Offertory Envelopes up to date. As you all know utilities are set to rise over the summer. If it wasn't for the Gift Aid returned tax, we would certainly be running at a deficit! We are currently looking at the budget to see where we can save on our funds!

ANNUAL PARISH BAZAAR COMMITTEE MEETING: Tuesday 2nd October at 8.00pm in the Parish Retreat. I would like to invite all those who are interested in helping with our Annual Parish Bazaar to this important meeting. This is a planning meeting for the Bazaar which will take place on Saturday 1st December 2018 at St. Edmund's Parish Hall 11.00am – 3.00pm. If any parishioners' have gifts and items for the Bazaar they can be dropped off at the Church Porch or the Presbytery. Obviously, we need everything; Bottles of Wines & Spirits; Toiletries; Cuddly Toys; Children's Toys; Fancy Goods; we need GRAND DRAW prizes and Prizes for Fr John's Stall. You are a wonderfully generous community, and I trust your generosity will be matched again this year. With very grateful thanks & gratitude!

IN CASES OF EMERGENCY: Tuesday is usually Fr. John's Day Off. In cases of emergency please call one of the local parishes, either in Epping – Tel: 01992 572516, or the St. Thomas of Canterbury Friary at Woodford Green – Tel: 020 8504 1688. This would also apply if Fr. John is away for a few days break or on Retreat. All the local funeral directors have a contact number for Fr. John if a funeral needs to be arranged in his absence.

Dear Friends in Christ,

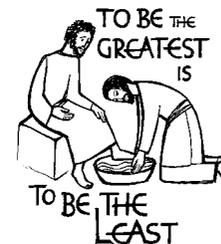

Twenty-Fifth Sunday of the Year 2018

The disciples were a quarrelsome bunch! Remarkably, against the backdrop of Jesus predicting his forthcoming death, it is clear that the disciples have their minds focused on more pressing matters – namely, their position in the kingdom of heaven (exhausting, isn't it), which they perceived as earthly or worldly in some way. And so they argue about their position in the kingdom.

In response, Jesus takes a child, we shouldn't sentimentalise his action: the child is not much a symbol of innocence and humility as someone without legal status and therefore helpless – in first century Palestine the child has no rights. Jesus invites his disciples to embrace this kind of selflessness and powerlessness. When he puts his arms around the child, it is a gesture of total identification with the powerless. The child can do nothing for the disciple, and so to receive a child is to do a good act for an insignificant person, without hope of earthly reward. The Aramaic word probably used here, *talya*, can mean both 'servant' and 'child'. The last of all, the servant, the child, is the greatest.

The idea was as radical in Jesus' time as it is today. Jesus is making a profound statement on greatness, and it's a clear rejection of the way the world organises itself. In today's world 'big' is often seen as beautiful. We can see it in the world around us. Supermarkets drive out small shop owners: multinationals swallow up local businesses. The corporate machine is king – small organisations are easy pickings, to be swallowed up and spat out as back are slapped in board meetings. Sadly, this kind of corporate attitude can permeate the Church as some Catholic charities and indeed some dioceses are multi-million pound organisations with huge assets and millions in reserve (a financial fact not always appreciated by their generous donors).

In this culture it's easy for people to get the message that they are failures, that they are worthless. In fact, throughout history power and domination have been the goal of human ambition; the disciples' argument is a demonstration of that! But according to Jesus' criteria the least, the servants, the children are the greatest. Those with power need to look anew at their own attitudes. And those without power can learn to value themselves more, for they are of great value in God's sight.

Dear Friends in Christ,

In conjunction with the 'Stewards of the Gospel' initiative taken up by our Diocese of Brentwood three years ago, and now, going forward with the 'Forming Intentional Disciples' Programme, St. Edmund's is embarking upon one of the most challenges ventures in the history of the parish. In a time of great change within the Church and throughout the world – a time of secularism, materialism, individualism, indifference & great apathy, - the Church is challenging all Catholic Christians to nail their colours to the mast. We have to stand up and be counted! The strength of a community is in her faith in Jesus Christ. As the Gospel stated last Sunday "Who do you say I am?" As Roman Catholics we should endeavour to know as much about Jesus Christ as possible. Reading the Scriptures, especially the Gospels; personal prayer; attending weekly Mass & other devotions; really having a desire to know and understand the faith; understanding the Church's teachings on moral issues. Making a daily commitment to Jesus Christ! In an age that's pointing us in all sorts of different directions, having the courage of faith and the strength of commitment is the challenge that's being presented to every Catholic Christian today! If we can echo the word of St. Peter and say: "You are the Christ, the Son of the living God", we're not far from the kingdom!

I commend to every parent in our congregation the challenge and task of inviting your lapsed children back to the practice of their faith. To all our parishioners, if you know of any lapsed Catholics in your locality, please take them a Parish Newsletter on a weekly basis; this is a simple gesture, and, if you know these people well, please invite them to accompany you to mass once again. The door is open to everyone! The Lord told the Parable of the lost sheep, how the shepherd leaves the 99 and goes searching for the lost one, and rejoices when he's found it! There is more rejoicing in heaven over one lost soul, than anything else!

PARISH RENEWAL: *Is about commitment to Jesus Christ. As we belong to a parish family, we each have a Christian responsibility to one another. In a bid to become engaged and 'Intentional Disciples' I would like to invite at least one member from each family to attend the important programme to commence on October 8th at 8.00pm in the Parish Hall.*

May God Bless You All,

ARE YOU INTERESTED IN LEARNING MORE ABOUT THE ROMAN CATHOLIC FAITH? If so, please see Fr. John as soon as possible. It's still not too late! Tel No: 020 8508 3492. Our next session takes place on Thursday 27th September at 8.00pm in the Parish Retreat. Theme - Sin and its effects – Original Sin

NOTE TO EVERYONE IN THE CONTEMPORARY MUSIC GROUP: Our next practice takes place on Monday, 1st October (6.30pm musicians / 7pm singers) to go over the hymns and music for the 11am Mass on Sunday, 7th October. We know it's difficult for some of you to come to our Monday practices, but please do make every effort to come on the 1st October, even if it's for a short time. We'd particularly like to practice the two new hymns we spoke about after our last Mass, so if you can all be there it would make the practice really worthwhile! New singers who may like to join us would be made very welcome and of course all our singers are also welcome to sing every week with Susan and our Parish choir.

'CERTIFICATE OF CATHOLIC PRACTICE' DEFINITION: Means a certificate by the family's parish priest (or the priest in charge of the Church where the family attend Mass) in the form laid down by the Bishops' Conference of England & Wales. It will be issued if the priest is satisfied that at least one Catholic parent or carer (along with the child, if he or she is seven years or over) have (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least 5 years (or, in the case of a child, since the age of seven, if shorter). It will be issued when the practice has been continuous since being received into the Church if that occurred less than five years ago. It is expected that most Certificates will be issued on the basis of attendance. A Certificate may also be issued by the priest when attendance is interrupted by exceptional circumstance which excuse from the obligation to attend on that occasion or occasions. A strict interpretation will be used by all priests.

PARISH REPOSITORY: There are a variety of gift items and religious goods in our Parish repository: Statues, rosaries, children's books, medals, Mass Cards, etc. Please do make use of the repository as it's often quite difficult to get religious items elsewhere. October is the month of the Holy Rosary; there are a variety of rosaries on sale, also little instructions on how say the rosary. These would be invaluable during this month! Christmas Cards will also be on sale next month.

SCHOOL ADMISSIONS FOR SEPTEMBER 2019

Once again it is that time of year when parents of Year 6 children are looking at schools for their children to begin their secondary Education 2016. Please remember that if you are preparing to make an application to either Trinity Catholic High School or Davenant Foundation School, there are very strict Admissions Criteria. Trinity requires a Certificate of Catholic Practice (CCP) & Davenant a Supplementary Information Form (SIF) which has to be signed by your priest, stating that you are a practicing Roman Catholic (which means weekly practice of your faith by participating in the Eucharistic Celebration at Mass). This year you have to make your personal application to Essex County on line These applications have to be lodged by 31st October 2018

My Pastoral recommendation is that you do not complete the County Form making your choices, until you have attended the various Open Evenings. As Roman Catholics we do have a moral obligation to support our Catholic Education system, but all choices are respected!

The Open Evening for prospective year 7 pupils for Trinity Catholic High School will take place on Wednesday 3rd October there are two visits 4.00pm and 5.30pm in the Lower Site (Sydney Road. Dr. Paul Doherty OBE, (Head teacher). Will give presentations at both talks. CCP Forms can be obtained directly from Fr. John at the Presbytery.

The Open Evening for the Davenant Foundation School will take place on Thursday 4th October 2018. The school will open between 6.00pm – 9.00pm. There will be two presentations by the Head at 6.30pm & 7.30pm. SIF form to be obtained either from the website or directly from the school.

I will not be meeting with parents until the week commencing Monday 8th October - concluding Friday 12th October; by this time School visits should be completed. You will need completed CCP & SIF forms, plus a copy of your child's Baptismal Certificate.

If you would like to book an appointment with Fr. John please contact him the week commencing 1st October 2018. If there are any problems or queries please contact all the respective schools directly. Thank you!

TRINITY CATHOLIC HIGH SCHOOL: “An Open Evening for prospective entrants to Trinity Catholic High School (Science & Sports College) will be held on Wednesday 3rd October 2018 at the Lower Site, Sydney Road, Woodford Green, Essex IG8 0TB. Parents are invited to look around the School, at their convenience in accordance with the following timetable: the School will be organising two opportunities for parents to visit at 4pm and 5.30pm. Both visits will commence with an address from Dr P C Doherty OBE (Headmaster) and will be followed by organised tours of the School. This is to allow parents to select the most convenient time for their attendance. We anticipate that there will be a high level of interest, and It would also be helpful if families could limit their attendance to parents and the child for whom they will be applying. If you have any special needs in relation to attendance, please contact the School in advance so that arrangements can be made on 020 8504 8946”. The closing date for applications is 31st October 2018. Please note that applicants will need to complete a common application form which will be provided by their own Local Authority. This application will then need to be returned to the applicants own Local Authority. For applicants wishing to submit a Certificate of Catholic Practice, this Diocesan document can be obtained through your parish priest, on the Diocesan website or the priest who will be signing your form.”

DAVENANT: Open evening for prospective candidates will take place on Thursday 4th October between 6.30pm & 7.30pm.

PARISH GIFT AID: “Dear fellow parishioners, I have taken over running the Parish Gift Aid Scheme following Brian Carter’s retirement after 40 years’ service – wow! I’m writing to introduce myself and to let you know that I’m available for any enquiries relating to the Gift Aid Scheme. In a nutshell, the scheme increases the value of offertory donations made by basic rate tax payers by 25p per £1 donated, i.e. a £2 donation would become £2.50. All I need from you is 30 seconds to complete a form with your name and address and I will provide you with envelopes which you’ll then use to submit your donations in the usual way during weekly mass. It’s really as simple as that! Gift Aid Forms are available in the porch of the church in a green box on one of the hymn trolleys. Please, please do consider joining the scheme. With the ever increasing financial burdon placed upon the parish, every penny really does count and even the smallest donatios can make a big difference. I am contactable on 07799 475970 or mjm70@hotmail.com Thank you!” / Maria Mosquera

FORMING INTENTIONAL DISCIPLES (FID) PROGRAMME

This autumn our parish is launching an exciting new programme based on Sherry Weddell's book, *'Forming Intentional Disciples'*. In the light of the ongoing Brentwood Diocese *'Stewards of the Gospel'* process, this is the most significant and challenging period for our parish in a generation. Mass attendances, priest numbers and vocations have been falling and, very soon, we will receive details of Diocesan plans to change and re-structure parishes, including Loughton, for the future. At the same time, Pope Francis has exhorted Catholics to go out and spread the joy of the Gospel!

So that our parish is ready to respond to these challenges and thrives as a welcoming and loving community that spreads the Good News, we shall be focusing on the Forming Intentional Disciples (FID) approach. This has been used fruitfully both in the USA and in other places, including the Diocese of Plymouth and parishes within our own Diocese of Brentwood.

We aim that at least one member of each family/household in our parish will take part. Please do all you can to come along and encourage friends and family members to be involved too?

The programme costs nothing and takes only an hour or so a week but you will need to buy a copy of Sherry Weddell's book, *'Forming Intentional Disciples'*. You will hear more at our weekend Masses on September 29 and 30 and there will be a chance for you to sign up and get a copy of the book then.

The Introductory Meeting takes place in our parish hall on Monday 8th October. Please put in your diaries. The other sessions take place on Mondays too: October 15 and 29, November 5, 12, 19 and 26.

Volunteers! We would appreciate help with the programme. This might include helping with refreshments, setting up the hall or helping to facilitate discussions (no special training or expertise needed). Please speak to Fr John, or one of our Stewards Maureen Perry or Mark Poulter, if interested.

Forming Intentional Disciples Presentation Evening: Evangelisation and Discipleship Monday October 8 (8pm) St Edmund's Parish Hall

Pope Francis tells us that when the church tells us to evangelise, she is simply pointing to the source of authentic personal fulfilment. For, 'here we discover a profound law of reality: that life is attained and matures in the measure it is offered up in order to give life to others. This is certainly what mission means'. (Evangelii Gaudium)

Come and hear about an exciting new programme that is being launched in our parish, learn about discipleship and the joy of evangelization. ALL WELCOME!

WHAT DOES EVANGELISATION MEAN? Zealous proclamation of the Gospel in order to bring others to Christ and his Church. In the words of Pope Paul VI, "Evangelizing means to bring the Good News into all the strata of humanity, and through its influence transforming humanity from within and making it new, 'Now I am making the whole of creation new' (Revelation 21:5). But there is no new humanity if there are not first of all new persons renewed by baptism, and by lives lived according to the Gospel" (Evangelii Nuntiandi, 18). Evangelization, therefore, includes three distinctive elements: 1. interior conversion to Christ and his Church; 2. affecting not only the individual person but the whole culture; and 3. as a result, changing this culture and its institutions to make them Christian and Catholic. (Etym. Latin evangelium; from Greek euangelion, good news, reward for bringing good news, from euangelos, bringing good news: eu-, good, + angelos, messenger.) The 'New Evangelisation' initiated by Pope St. John Paul II & Pope Benedict XVI recognise the Church's mission to proclaim Jesus Christ in the Twenty-First Century, and the various challenges involved in that process.

FIRST HOLY COMMUNION PROGRAMME 2018/2019: Our parents met last Wednesday and, the children's first session will take place on Sunday 16th September at 10.00am in the Parish hall; this will be followed by the children being presented formally by their parents as candidates for the sacraments of Reconciliation and the Holy Eucharist at the 11.00am Mass. Please keep all the children and the families in your prayers as they prepare for the Sacramental Programme. The next Parents' Meeting will take place on Wednesday 10th October 2018.

PARISH COUNCIL MEETING: Monday 1st October at 8.00pm in the Parish Retreat. The Parish Council is a made up of various parishioners who represent the whole community. Each member has volunteered their time and commitment for a three year period. As we are about to embark upon this new evangelisation programme of Forming Intentional Disciples, it's important that all of our Parish Council are up to speed on everything that will be taking place over the next months. Would all the various committees and organisations please kindly submit their reports Sunday 23rd September 2018. Thank you!

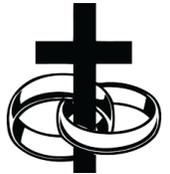

PARISH CHOIR: We are always looking for new members to join the choir. You will have heard a lot of the new repertoire over the past several weeks. If you enjoy singing and music, please make contact with Sue Farrow our music director, you will be more than welcome to join the choir. There are rehearsals twice a week, Wednesday evening at 7:00pm and Saturday morning at 11.00am

CATHOLIC COMMUNITY OUTREACH: As part of the Evangelisation Programme we are adopting; outreach to those who no longer attend the Church is fundamental to the whole concept of Proclaiming the Gospel message to everyone. People leave the practice of the faith for all sorts of different reasons, but I would like to think that people are still members of the Christian family, unless they have made a formal rejection of the Christian faith. The sixty-four thousand dollar question is how do we reach these people again, and encourage them to return to the practice of the faith. To help them see that the life of faith is truly enriching and really worthwhile is the greatest challenge of all. It would have to be said that there are many contributing factors as to why people leave the practice of faith: - Secularism in this present age; peer group pressure; materialism; apathy & indifference. We live in an age and society that often finds it hard to commit to anything, and religion and the practice of faith is no exception! But to explore the Roman Catholic faith, and to learn and know more and more about its foundations in the person of Jesus Christ, will give the individual a truly deeper foundation to build upon. The Basis of Catholicism is to know Jesus Christ, and this is also at the heart of all Evangelisation.

A couple of ways you can help, and be real 'Stewards of the Gospel', is to invite any lapsed person back to church, and perhaps even accompany them. Or to take an additional Newsletter each week and pop it through their letterboxes – sometimes that personal contact with another Catholic is often the encouragement people need!

WHAT IS AN IRREGULAR MARRIAGES: Every baptised Roman Catholic is bound by the RC faith. If a person contracts a marriage outside of the Catholic Faith without a dispensation, it is referred to as irregular, or not actually recognised by the Catholic Church – these include marriages Register Offices; in hotels and on beaches; in Las Vegas; in any other Christian Church without dispensation from the Bishop. The Church has a facility to assist and help any couple regularise their marital status, it is called Convalidation. As long as the couple are both free to contract marriage in the Catholic Church a Convalidation ceremony can be celebrated. This is a totally private and confidential service that the Church offers to couples. If you would like to know more information about this procedure please contact Fr. John directly at the Presbytery Tel No: 0208 508 3492 or e.mail loughton@dioceseofbrentwood.org For whatever reason people sometimes marry outside the church, but we are here to help you put it right!

BOOKING MASSES: Has been a custom in the Catholic Church for many centuries! Parishioners can book masses in advance for any occasion. Most commonly we remember our deceased loved ones on anniversaries etc. But masses can be booked for Special Intentions, those who have recently died, Birthdays, Anniversaries, when someone is sick, wedding anniversaries, and many other occasions. If you wish to book a mass there are plenty of openings available in the Mass Book Calendar. Just complete the Mass Intention envelope in the porch of the church and enclose you mass offering. For anniversary masses, could I recommend that you put your Intention in several months in advance to avoid any disappointment with a date already taken.

you have visited the various schools open evenings before you make your application. If your child has been through Roman Catholic Primary education, the natural progression would be for them to continue that education through our Catholic Secondary School, which is Trinity. I ask all parents to seriously consider all your options. A Certificate of Catholic Practice is required from all applicants who wish to attend Trinity Catholic High School. (I can only sign you Certificate if you're attending weekly mass - this is in compliance with the Code of Canon Law's definition of a practicing Catholic, and the Diocese of Brentwood's guidelines). One of the things that sadden me most in this process is that once children have their place in their desired school, how many families fall by the wayside. In the annual request for the capitation charge for each pupil, I would say that approximately less than a third attend Holy Mass. Children in their early years at High School are not attending even though they have stated they are weekly mass attenders. I see parents at mass without their young teenagers! This is really serious! Our future salvation is inextricably linked to the practice of our faith; these are not pious sentiments, but an impassioned plea to all parents to reflect on these words I have shared with you.

May God Bless You All,

At this time of the year parents are considering applications to Primary and Secondary Education; the choice of schools for your children will certainly determine their future lives. It has been drawn to my attention that this year Essex County will not be sending out reminders to parents to make the application procedure for places for Year 7 commencement for September 2019. You have to do this by yourselves and access the Essex County Council website for Secondary School Admissions. (This procedure can all be done online). The application procedure is to be completed by 31st October. I would ask all parents to kindly wait until after

**CLASS OF
2019**

until I was Ordained to the Priesthood. As you can see we have a number of Senior Servers who have served for ten years and over who have received their Silver St. Stephen's Medal. Parents, can I alert your children to this invitation. We will train the children at the altar. Our Parish MC's David Knott and Robert Hatt give instruction to the children. If you are an Altar Server, you are expected to be present at weekly mass!

NEW ALTAR SERVERS: I would like to extend an invitation to any of the boys and girls who have made their First Holy Communion, to consider becoming an Altar Server at St. Edmund's. This is a truly wonderful opportunity for our young ones to get involved with the life of faith and give great service to God and the Church. I was an Altar Server right up

PARISH RENEWAL: As you all know the Stewards of the Gospel initiative initiated by the diocese nearly three years ago continues to develop throughout the diocese. The parish has also adopted the Forming Intentional Disciples Evangelisation Programme. This programme is specifically designed to engage all of our parishieorns to make a total life commitment to Jesus Christ. We will endeavour to reach out to the lapsed, also to those who nothing about Jesus Christ. Obviously, this is going to be a great challenge, but with God's help and grace, let us move forward in faith! The Programme

we will use has been formed by Sherry Weddell – I certainly recommend her book ‘Forming Intentional Disciples’, this can be obtained from Amazon.

***TAKING THIS SERIOUSLY:** I really would commend to all of our parishioners the seriousness of these initiatives! The Church is dramatically changing, more and more people are leaving the practice of their Catholic faith; young people are walking away from the faith in their droves, many of them never to return; a take it or leave it attitude seems to have permeated the Church in this country. Perhaps the Church is destined to be a smaller Church, but with true commitment and ‘Intentional’ hearts for Christ! The Lord told us he ‘would be with us until the end of the time’, Jesus will never abandon his Church; it just means that the Church will be different. To know what your faith is all about, to understand clearly the tenets of Catholicism, and to make them our own is fundamental to what it means to be a practicing Roman Catholic. These are the challenges of the Twenty-first century and they affect us all. We can’t just sit on the side-lines any longer. We have to nail our colours to the mast!*

May God Bless You All

SALE OF THE ST THOMAS MORE SITE, DEBDEN:

The St. Thomas More Church, Presbytery & Parish Hall: Fr John writes:-

“As you know St. Thomas More Church site closed on 3rd October 2015. After nearly three years of negotiations with Epping Forest District Council, the Diocese of Brentwood and ourselves and various interested parties, I am very happy to report to you that the Debden Site has just been sold to a Property Developer. This was a long and arduous process, involving numerous meetings both at Diocesan and Local Council levels and wasn’t always easy. Sadly we had nearly reached the final stages of a sale at the beginning of the year, and unfortunately it fell through; we had to begin the whole process all over again; obviously, extending the length of time. This was very frustrating, but we wanted to get it right. The sale has now been finalised within the rules of the Charities Act, and it is believed that the developer intends to erect housing on this site in due course.

The tenants of the Presbytery have moved to Wiltshire since August 2017. The Parish in conjunction with the Diocese of Brentwood (Trustees), and

the Surveyor managed and directed the sales process after this very steep learning curve, and I am very relieved that the Parish is no longer responsible for the security, vandalism repairs and other costs associated with maintaining the vacant buildings.

I would personally like to thank Mr John Campbell who really helped me throughout this whole process; Mr Michael Gilmartin of Gilmartin/Ley Quantity Surveyors who did all the work with the various interested parties, and Mrs Amanda Balicki from the Diocesan Properties Department, who did so much from the Diocesan perspective on behalf of the Trustees.

All the funds have been placed in the Central Banking System in the Diocese of Brentwood, which offsets the whole diocese keeping interest levels down on various projects up and down the diocese.

I thank you all for your patience over the past three years, and I’m very happy that this project has been concluded successfully.” Fr. John

ST. EDMUND’S PARISH FINANCES

The reality of late is that our monthly income is not meeting our monthly outgoing. **There has been a considerable drop in the weekly offertory!** I have been consciously aware of this for a long time now, and I try not to burden you with this.

When the St. Thomas More Church was still open we had an additional income from the Presbytery, and also a Playgroup that was quite successful for a number of years. Manifestly, with the closing of the St. Thomas More site and everything moving to St. Edmund's, there has been a loss of revenue, somewhere in the region of £25,000 per year. Coupled with diminishing offertories, this is most certainly taking its toll on our parish Finances. I am very consciously aware of every parishioner's financial situation; there are so many demands on all of us today, mortgage, home maintenance, cars, family expenses, and the list can go on and on!

The survival of any parish is holily dependent on the generosity of the faithful People of God. You are those people! Your weekly contribution sustains the life of the parish. Your offering reflects your thanksgiving to the Lord no matter how great or small it may be. There are always some who may be in the position of giving more. As Cardinal Hume used to say, an hour's salary was not an unreasonable offering. If we think of some of the luxuries we purchase, a bottle of wine, a packet of cigarettes, a meal out, Weekly Gym membership, and season tickets to sports venues. Perhaps a good benchmark would be that suggested by our Parish Accountant, that if everyone gave the price of a cup of coffee that you would purchase on the High Street, this would certainly enhance the Weekly Offering. Of course the 'widow's mite' is always welcomed.

You are all aware of the ongoing costs of maintaining your own homes; and the bills keep coming in! This year we had a severe winter. As you know I've always tried to keep all our buildings warm, for example, some months the Gas Bill was between eight and nine hundred pounds a month. Utilities are extremely expensive. Capitation to the Diocese of Brentwood is £2,200 per month. Monthly salaries are approximately £1,300. Fr. John's Salary is £675.00 per quarter. These are just some of the regular bills.

I appeal to your incredible generosity, and your sense of belonging to this parish. Your Gift Aiding is so important, and the use of weekly GA envelopes really does assist and help with the annual claim that we make to the Inland Revenue. **PLEASE USE YOUR ENVELOPES!**

COLLECTION OF SPONSORSHIP MONIES FOR NEW

STAIR-LIFT: As you know the music director Sue Farrow completed a sponsored marathon playing the organ for twelve hours to raise funds for the much-needed stairlift to the choir loft. Many parishioners have already paid their sponsorship monies, and so far approximately £4,000.00 has

been raised. Members of the Choir will continue to be outside the Church this weekend to collect in the outstanding sponsorship and donations over the next two or three weeks. If you are unable to make the donation outside the Church, please contact John Johnson on 020 8508 4167 who will arrange to collect it. Please also note that Lester Haslam, a choir member, is raising funds by the carrying out of a fantastic car cleaning and valeting service for just £35 per car. You can contact him directly on 020 8505 7793. Grateful thanks to everyone who has sponsored or donated towards this project. If there are any parishioners who would like to make a one-off donation please make cheques payable to St. Edmund of Canterbury RC Church.

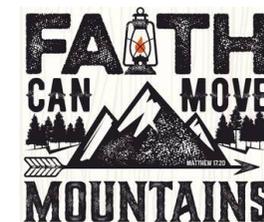

FIRST HOLY COMMUNION PROGRAMME 2018/2019:

The programme will commence on Wednesday 12th September at 8.00pm in the Parish Hall with the Parents' Meeting. The children's first session will take place on Sunday 16th September at 10.00am in the Parish hall; this will be followed by the children being presented formally by their parents as candidates for the sacraments of Reconciliation and the Holy Eucharist at the 11.00am Mass. Please keep all the children and the families in your prayers as they prepare for the Sacramental Programme.

RITE OF CHRISTIAN INITIATION OF ADULTS: Every September we begin a new RCIA (Journey of Faith) Programme, for those who may be interested in learning more about the Roman Catholic Faith, possibly with the view of receiving the Easter Sacraments. This is a systematic Programme of Instruction in the Roman Catholic Faith, covering aspects of Catholicism: Scripture, Theology, Liturgy, Mary, Catholic practices & Tradition, Church History, Prayer & Devotions. If there is anyone interested, or you know of anyone who might be interested, could you ask them to get in touch with Fr. John, Tel No: 0208 508 3492. Thank you!

PARISH NEWSLETTER: There will only be a one-page Newsletter over the summer holidays commencing the weekend 28th/29th July. Please always take your newsletter home with you and keep it on your Notice Boards.

I would like to encourage every single member of our Parish Community to truly embrace the work of Evangelisation. We are all heralds of the Gospel of Jesus Christ, and when we share our faith, even in a small way, we bear witness to Christ. We can be like

St. John the Baptist pointing the way to Jesus. Be strong and courageous in faith; have the courage of conviction that you have something worthwhile to offer others through your own lives of faith. We all have members of our own families, and people that we know who no longer practice their faith on a regular basis; please have the courage to invite them to return to the faith. Take an extra Newsletter on a weekly basis; pop it through their letterboxes, at least through this there is some contact being made. Try to make personal invitation to lapsed family members and friends to accompany you to mass one Sunday. Please pray for all of our lapsed and estranged parishioners, ask the Lord to touch their hearts and bring them home.

CHILDREN'S SUNDAY LITURGY: As some of our Catechists have stepped down from the Rota, I have been asked to make a request for some new Children's Sunday Liturgy Catechists. There are many parents whose children regularly attend the Sunday Liturgy at the 11.00am mass. You will be taught how to conduct the session by those who've been Catechists for a long time. You will only be asked to lead the session approximately once every six months. This is truly a wonderful way to serve God and the whole community of faith. If you're interested please contact Claire on 07876710251.

CONFIRMANDI: I would like to encourage our recent Confirmandi to become more involved in the life of the Church. You may feel you have something to offer to God and the Church; please don't be shy to come forward. I hope you have had an opportunity to read the little book he gave you of your questions, answered by Mark Anthony. It really is a powerful resource in understanding your Roman Catholic Faith

LOUGHTON PARISH GIFT AID SCHEME: Many thanks to all the parishioners who have collected their new Gift Aid Envelopes. The New Financial Year commences this weekend. Would those who have, as yet, not picked up their new envelopes kindly do so as soon as possible? The use of the GA envelopes is extremely important; we are not allowed to claim any tax back if the envelopes are not used. There are always spare envelopes in the porch of the Church.

If you do not belong to the Parish Gift Aid Scheme, and someone in the family pays Income Tax then please consider joining. It is very simple in that we only require you to complete the GA Form with your name and address and Brian Carter will do the rest. Please think seriously about joining the scheme!

We are able to claim back 25pence in the pound for every pound you donate in your envelopes. E.g. if you give £10 per week, we receive an additional £2.50 per week. This certainly mounts up over the financial year.

Brian Carter – Parish Gift Aid Organiser, Tel No: 020 8508 4086

PARISH GIFT AID ORGANISER: I am very pleased to advise parishioners that as Brian Carter has now retired we have a new Gift Aid Organiser, Maria Mosquera. It may be a little while to hand over details to Maria as the files have to be updated and confirmed agreement with the Gift Aid Office. Brian will support Maria for as long and necessary, particularly at the end of the Financial Year. Further details will appear in the Parish Newsletter as soon as the takeover has taken place. In the meantime please give Maria the full support that you have given to Brian over the years. Once again sincere gratitude and thanks to Brian for being the Gift Aid organiser both here and in the parish in Chingford for 40 years.

***ADOREMUS** The Latin word for 'Let us adore', is the theme of the National Eucharistic Pilgrimage in Liverpool this September (7th – 9th). There is a beautifully produced Book on the Eucharist at £5.00 available in the Porch Repository. This is a wonderful publication exploring all aspects of the Holy Eucharist. Please think of investing in one of them. Thank you!*

May God Bless You All,

GENERAL DATA PROTECTION REGULATIONS –

GDPR: You have probably been receiving a great deal of information in relation to the GDPR which came into force on Friday 25th May. To preserve the confidentiality & privacy of all documentation held at the parish, e.g.

Baptism, Marriage, Confirmation, Death Registers etc. Please be assured that all of these registers are held in fire-proof safes, both in the Church and the Presbytery. All Census Forms are held in a fire-proof filing cupboard. With the new regulations we now need to build privacy into all personal data. Any data that is out of date or obsolete will be destroyed through shredding. To seek information about someone in the parish or registers held at the parish will become a lot more difficult. The only information that can now be given is directly to the individual who desires a Baptismal, Confirmation or Marriage Certificate. For example, solicitors will have to ask their clients to apply personally for a copy of a Marriage Certificate. With regard to the Parish Gift Aid Scheme – the only person who has access to this data is the Gift Aid Organiser; the Parish Priest does not have access. All of those involved in this work have been advised on the confidential nature of this information. No personal information will be given over the telephone – written requests only! This is the first stage of information on GDPR. If you have any queries please don't hesitate to ask Fr. John for more details.

MISSIO RED BOXES: Thank you to all those who responded to the Missio appeal. If you missed the chance to take a box there are a couple of spare boxes in the porch of the church. **EXISTING BOX MEMBERS:** Please bring your box to mass on the second week in June 9th/10th June, when they will be emptied. If you have a box and no longer wish to use it please return it that weekend. Thank you!

PREPARING FOR THE REDEDICATION OF ENGLAND AS THE DOWRY OF MARY: The Bishops of England & Wales have agreed to rededicate England as the Dowry of Mary. This will take place on the 25th March 2020. In preparation for this great event there will be a two-year spiritual preparation during which the statue of Our Lady of Walsingham will be taken to every cathedral in England for a three-day triduum of prayer. This is being done under the banner of the Guild of Our Lady of Ransom, in

partnership with the Catholic National Shrine of Our Lady of Walsingham, and with the support of Youth 2000. It is hoped that local evangelisation teams will also help with other catholic organisations.

Each triduum will begin on a Thursday evening, all day Friday, Friday evening with a possible 'night fever' style adoration event, and conclude on Saturday with mass around midday.

Resources will be made available by the National Shrine for all cathedrals and it is hoped these will filter to the catholic parishes throughout the country. This will help bring to fulfilment the prophecy spoken by Pope Leo XIII in 1887, "When England returns to Walsingham, Our Lady will return to England".

We pray for a rapid return of Our Lady to her Dowry.

The Slipper Chapel Statue of Our Lady of Walsingham will visit every English Catholic Cathedral between 2018 – 2020. Brentwood Cathedral of St. Mary & St. Helen, Ingrave Road, Brentwood, Essex. CM15 8AT. 19th – 21st July 2018. www.dowrytour.org.uk

PARISH COUNCIL MEETING: Monday 2nd July 2018. 8:00pm in the Parish Retreat. This is an extremely important meeting. I would ask that all members of the Parish Pastoral Council please be present. But I would also like to extend the invitation to anyone in the parish who is interested in learning more about Evangelisation. Realistically, the survival of the Roman Catholic Church in this country is rooted very much in the various methods of Evangelisation that we employ in our parishes. This is a really serious time in the Church, and I would encourage as many parishioners as possible to attend. I have managed to get Mr Mark Lambert to come and speak about

the Evangelisation Initiative of 'Forming Intentional Disciples'. Hopefully this will dove-tail into our Stewards of the Gospel Initiative. Reaching out to our lapsed Catholics and also to be welcoming to new members in the Church. At present we're running a Faith Sharing Programme; and in September we will begin our Rite of Christian Initiation for Adults once again. Evangelisation is at the heart of all parish life, preaching the Gospel message of Jesus Christ is fundamental to our commitment in faith. In truth, many people are leaving the practice of their faith; the reasons are many and varied, but anything that can help us understand why we are at Mass each Sunday and why we're Roman Catholics, can only be a good thing! Hopefully these two new initiatives will help us!

RETURNING TO THE PRACTICE OF THE FAITH: From the first moment Jesus gave his command to the Apostles to, '*Go out to the whole world and proclaim the Good News*', the faithful people of God have responded! It is an invitation freely given by Jesus Christ. The Catholic Church, on her part has tried to the best of her ability to encourage and support all the faithful in their Journey of Faith. Sometimes along that journey people can lose their way, often taking other paths. But, they are still part of the family, and we really do miss them when they're not with us. We pray for them, and I truly believe that Jesus is constantly searching out our brothers and sisters. We can also help in this mission; if you know of anyone, it may be a family member, or a neighbour or friend, who no longer actively participates with the worshipping community, have the courage to invite them to accompany you to one of our weekend masses. Obviously, there are so many other distractions out in the world today that it's so easy to be distracted with regards commitment in faith; but the fact is that Jesus Christ came into our world to show us the way to God, and he doesn't want to lose anyone along the way that leads to him. Sometimes, when people have been away from the practice of the faith, they often feel nervous and embarrassed about coming home. There will always be a Big Welcome! This is real Evangelisation, because it really can enable and help all of us recognise the importance of what it means to be a member of God's Family of Faith. Have Courage!

"You probably don't see that much of me but I'm the one who makes a loud noise from above and behind you! My part in the liturgy requires me to be up in the organ loft; along with 21 dedicated choir members who rehearse twice a week to be the best they can possibly be to enhance our Sunday liturgy. Their generosity of spirit in allowing me to nag and cajole them into achieving new things stuns me every single week.

But something's not right. We are actually a choir of 22, but one of our members cannot access the organ loft. That member attends a rehearsal in our hall every week but when it comes to doing our job in the loft, they are effectively excluded. With others also who find the stairs quite difficult these days. This feels wrong to all of us and, with Fr John's support, we've decided to do something about it. We're going to buy a Stairlift!

We've already raised a small proportion of the funds we need but we have a long way to go. So, on 28th & 30th June I will be doing a 12-hour sponsored musical marathon to raise the rest. (Commencing at 10.30am on both days). If you'd like to come along and listen during the marathon, you'd be most welcome!) The choir has promised faithfully to prop me up with flasks of (very!) strong coffee but we need your help too. **SPONSORSHIP IS STILL AVAILABLE.** Are you willing to take one and ask your family, friends, colleagues (and anyone else you can think of!) to help us achieve our goal? It would mean so much to us to have ALL our members together in the loft, and we'd be sincerely grateful for your help. Special Donations will always be very welcome. Please support us! Please use Gift Aid envelopes also!"

Thank you. Sue
